

ASP Update – December 2007

News

Adele Rose Fisher was born at 5 pounds 10 oz., 19 ¼”

Quote from parents- Paula & Jeff Fisher: “She was born very alert and SERIOUSLY cute. She has been remarkably easy and wonderful. We absolutely adore her.” Congratulations Paula!

ASP Social: Wednesday, December 19th

The December ASP Social will be a holiday lunch following Rebecca Morss’ 11a ASP Seminar on Wednesday the 19th of December at the NCAR Foothills Lab. The seminar will be held in the FL Auditorium followed by lunch in the EOL Atrium. All ASP Postdocs are expected to attend. All other postdocs and grad students are invited to join us. Please RSVP to Kathleen Barney at leeney@ucar.edu by December 11th so we know how much food to order.

Awards: Congratulations to ASP Postdoc, Mary Hayden, who received an award from the American Public Health Association (APHA) on November 5 for low-literacy, fotonovela-style materials promoting repellent use that her and other colleagues developed for Latino migrant worker and border communities. It was the National 2007 APHA Public Health Education Health Promotion Materials Contest: Best Print Materials.
