

ASP Update – November 2007

News

ASP Social: Discussion about the IPCC Process with panel members Tentatively Scheduled for November 7th.

This is your opportunity to learn about the IPCC Process from some of the key players at NCAR. You'll get a chance to hear about the perspectives of some of the participants and have an opportunity to ask questions. Time and place to be determined. Stay tuned for more information.

Fellows Association: International Potluck and Sarau, Friday 30 November

Join other NCAR fellows for an international potluck at Luciana Rizzo's home on Friday November 30th. Bring food from your home country and be prepared to share a "performance" if you are up to it! Everything counts: music, poetry, dance, anything. More details will follow on the email list.

Postdoc and Grad Student News

Two postdocs are leaving this month:

- Christelle Barthe is going to the National Center for Meteorological Research and Laboratoire d'Aerologie in Toulouse France for a new postdoctoral position.
- Ilan Kelman is taking a Researcher position at the Center for International Climate and Environmental Research, in Oslo, Norway.

We wish you the best of luck in your new positions. On December 1st, a new postdoc by the name of Ramit Bhattacharyya is joining ASP in the High Altitude Observatory. Please stop by and welcome him when you get the chance.

ASP Staff News

Paula Fisher will be going out on maternity leave beginning on November 1st. If you need assistance with travel, please see Kathleen Barney. If you have questions about computers, term dates, etc., please see Scott or Maura.
