

Thompson Lecture Series with Inez Fung, May 2008

ASP Update – June 2008

News

ASP Social: Lunch with visiting Journalism Fellows, June 27th 10:30 – 1:30

The NCAR Director's Office is sponsoring a visit by three Journalism Fellows to NCAR. They are coming to meet with scientists like you in order to learn about the work being done here. The purpose of our meeting and lunch is to facilitate conversations between you and these journalism fellows. We will start at 10:30 with brief presentations about your work, followed by lunch to discuss the work presented. More information about the presentations will follow.

All NCAR postdocs and graduate students are invited to attend, and ASP postdocs are expected to attend.

Note: there will be no social in July, but we have the annual ASP hike scheduled for August 14th first thing in the morning.

Fellows Social: Hike at Chautauqua Park on Saturday, June 28th

Join other postdocs and grad students for a hike on Saturday the 28th of June at Chautauqua Park. Also mark you calendars for a movie on July 18th at the Boulder Outdoor Cinema (Harold and Maude). More details regarding both events will follow by email.

Postdoc Profiles: Pathways to STEM

Simona Bordoni created a postdoc profile at the "Pathways to STEM" website, which is a site supporting pathways to the STEM fields: science, technology, engineering, and mathematics. Particular emphasis is placed on connecting traditionally underrepresented groups with STEM programs and resources, including funding and mentoring opportunities. You can see her profile here: www.ibparticipation.org/IBPPProfiles.asp?sort=type&subsort=PDC&subsubsort. If you would like to be added to the site, please send your profile to Maura.

Other News

- Cecile Piret begins her ASP Postdoctoral Fellowship on June 2nd in IMAGE. Cecile sits in ML 394. Please stop by to say hello.
- The ASP is supporting multiple visitors this summer. See the table below for current and upcoming visitors.

Upcoming Events:
