The ASP is moving to the Mesa Lab this week! Our offices are located on the 4th floor of Tower B. We'll have a breakfast open house in the SERE open space (6th floor Penthouse) at 9:00 am on the 19th.

Please note that we will be leaving our offices on March 5 at noon and will not return to our new offices until March 10 at the Mesa Lab. Paula	475
Kathleen	498
Scott	498B

Fellows Social: Pi Day, March 14th

To celebrate “Pi Day” as in March 14th (3.14), everyone will be encouraged to bring a pie to share. Details including time and location will follow.

Does your research involve gathering information from people? Do you conduct interviews or send out surveys? There are strict guidelines for this type of research that are contained in the UCAR Human Subjects Research Policy. The Human Subjects Committee provides additional oversight to those working directly with the public. UCAR's policy is to ensure that appropriate standards are followed for the ethical treatment of humans that are the subject of research. For more information, please review the Human Subjects Research Webpage at <http://www.ucar.edu/hsc/>.
