ASP Update – April 2009

News

ASP Social: Communicating Your Science. Wednesday April 1 @ 1:30 pm, ML Damon Rm
David Hosanky and Rachael Drummond from Communications will join us for our April social to discuss communicating science. They will discuss strategies to present your science to a non-technical audience that might include the media, a church group, policy makers or even your neighbor! At the end of the social, we'll poll you to see who might be interested in pursuing this topic further in another session that would include practice interviews.

All postdocs and graduate students in the organization are invited and encouraged to attend. If you plan to attend, please let Paula Fisher (paulad at ucar.edu) know. ASP Postdocs are expected to attend. Please confirm with Paula.

Refreshments will be served.

April Fellows Social: Stay tuned for more information

Do you have ideas for upcoming socials? The social committee is looking for new faces and ideas. Please consider joining the committee; it is very little work and great fun to plan monthly social activities in Boulder. Please let Isabelle (isar at ucar.edu) know if you are interested!

Postdoc News

After a very long wait for a visa, Rashmi Mittal will finally be starting her ASP fellowship this week. Rashmi will be in MMM. Welcome Rashmi!

Drop in on the Director

This is just a brief reminder that Maura is always happy to visit with postdocs, so please be sure to work with Kathleen to identify a time when she is available. You all remain her highest priority.
