

Thompson Lecture Series with Eugene Parker, May 2009

## **ASP Update – June 2009**

### **News**

#### **ASP Socials**

We won't be holding any ASP Socials during June and July. However, mark your calendars for the ASP Hike on the morning of August 5<sup>th</sup>. All postdocs and graduate students in the organization are invited and encouraged to attend.

#### **UCAR Communications wants to hear from you**

Are you doing research that you think would make for a good article in Staff Notes Monthly? Perhaps even the media would be interested, or maybe reporters are already contacting you? UCAR Communications wants to hear from you. Please feel free to contact Rachael Drummond ([rachaeld@ucar.edu](mailto:rachaeld@ucar.edu); ext. 8604) in media relations or Nicole Gordon ([ngordon@ucar.edu](mailto:ngordon@ucar.edu); ext. 8616) at Staff Notes with story ideas and newsworthy items, significant developments in your research, or assistance with requests from the media.

#### **ASP Summer Meetings**

Did you know that the ASP does more than sponsor postdocs and visitors? This summer we are coordinating three meetings, and one is currently underway:

1. ASP Colloquium One: Exploring the Atmosphere: Observational Instruments and Techniques, May 31-June 12, 2009.
2. Junior Faculty Forum on Future Scientific Directions: Connecting Weather and Climate in Theory, Models and Observations, July 14th-16th, 2009.
3. ASP Colloquium Two: Marine Ecosystems and Climate: Modeling and Analysis of Observed Variability, August 1-14, 2009.

### Drop in on the Director

This is just a brief reminder that Maura is always happy to visit with postdocs, so please be sure to work with Kathleen to identify a time when she is available. You all remain her highest priority.
