Thompson Lecture Series: Eugene Parker, May 11-13, 2009

Dr. Eugene Parker, Professor Emeritus from the University of Chicago, is the invited speaker for the Thompson Lecture Series this month. There are many scheduled events including seminars, round table discussions, and a potluck dinner. For more information, please visit the Wiki at <https://wiki.ucar.edu/display/aspthompson08/Home>. You will need to log in with your UCAS name and password.

All postdocs and graduate students in the organization are invited and encouraged to attend.

May Fellows Social: We need ideas!

Do you have ideas for upcoming socials? The social committee is looking for new faces and ideas. Please consider joining the committee; it is very little work and great fun to plan monthly social activities in Boulder. Please let Isabelle (isar@ucar.edu) know if you are interested!

Drop in on the Director

This is just a brief reminder that Maura is always happy to visit with postdocs, so please be sure to work with Kathleen to identify a time when she is available. You all remain her highest priority.
