

ASP Update – October 2009

News

Introducing Jack Henry Fisher!

Jack weighed 7 pounds 6 ounces, 20.5 inches at birth. Here is a quote from the proud parents, “He is a mellow little guy and we love having him around. His big sister is doing really well and seems to like "Baby Jack" so far. He has a darling, sweet little face to match his disposition.”
Paula is on maternity leave until December 18th. Please contact Scott or Kathleen in her absence.

ECSA lunch at the UCAR Members Meeting and Forum.

UCAR sponsored lunch with Early Career Faculty during the UCAR Members Meeting and Forum from 11:45-1p on Tuesday, October 13th (Center Green cafeteria). Details about the meeting are available at, <http://www.ucar.edu/governance/meetings/oct09/index.shtml>

This year the UCAR Members forum topic is: "adaptation to climate and severe weather". A discussion of this topic will happen during lunch, and a previously selected rep will summarize the discussions as part of a panel discussion the next day.

If you are interested in adaptation to climate and severe weather, want a free lunch and are available on October 13th, please contact Andrew Gettlelman (andrew@ucar.edu) today!

The Research Reviews Committee STILL needs a volunteer or two.

The Research Reviews Committee is seeking 1-2 ASP postdoc volunteers to help schedule research reviews, send reminders and facilitate the presentations.

Please contact me if you are interested in this community service opportunity (sbriggs@ucar.edu).

Postdoc News

We have several new postdocs coming this month. Please stop by and welcome them in person.

- Marielle Sauniois from the Université de Toulouse starts October 5th in ACD. She'll be sitting in FL0 1150.
- Julie Theriault from McGill University begins her fellowship on October 5th in RAL. She'll be located at FL2 3055.

- Lulin Xue from Saint Louis University also starts his fellowship on October 5th in RAL. Lulin's office is FL2 3057.

Simona Bordoni is the recipient of the 2009 AGU James Holton Junior Scientist Award. Simona will be presented with the award at the 2009 AGU Fall Meeting. More information about the award can be found here, <http://www.agu.org/sections/atmos/HoltonAward.htm>

Drop in on the Director

This is just a brief reminder that Maura is always happy to visit with postdocs, so please be sure to work with Kathleen to identify a time when she is available. You all remain her highest priority.
